

Praise for *Launching A New Worship Community*

“I have known Dr. Craig Gilbert for over 12 years. For the past 3 years I have led Brookshire First UMC as Senior Pastor. We came to a place where we wanted to plan a new worship service for our congregation. When I left that meeting I first thought to call Craig. Our church engaged him for consultation and design. Craig has a great depth of knowledge in all styles of worship and he used that knowledge to help us craft a unique and powerful worship experience just for our setting at Brookshire. This contemporary service will soon celebrate it’s first anniversary. We have steady interest and growth is happening. I highly recommend Dr. Gilbert’s services if you are considering expanding or restructuring the worship experience at your church. I promise that you will be thankful for Craig’s guidance, depth of knowledge and passion for Christ. I know our church has benefitted greatly, and your church will benefit as well.”
